

TIMETABLE

FRIDAY, MAY 23

	OCEAN	SKY	AQUA 1	AQUA 2	ARIA 1	ARIA 2	
12:00-13:00		Meeting of the ESH Working Group on Device-Based Treatment of Hypertension	Meeting of the ESH Working Group on Endocrine Hypertension	Meeting of the ESH Working Group on Small Arteries	Meeting of the ESH Working Group on Hypertension in Children and Adolescents	Meeting of the ESH Working Group on Environment in Hypertension	
Break (13.00-13.15)							
13:15-14:15	14.00-16.00 Young Investigators Meeting	Meeting of the ESH Working Group on Blood Pressure Monitoring and Cardiovascular Variability	Meeting of the ESH Working Group on Diabetes and Metabolic Risk Factors	Meeting of the ESH Working Group on Large Arteries		Meeting of the ESH Working Group on Hypertension in Older Adults	
Break (14.15-14.30)							
14:30-15:30		Meeting of the ESH Working Group on Lifestyle, Cardiovascular Pharmacotherapy and Adherence	Meeting of the ESH Working Group on Hypertension and the Kidney	Meeting of the ESH Working Group on Hypertension and the Heart	Meeting of the ESH Working Group on Hypertension in Women	Meeting of the ESH Working Group on Hypertension and the Brain	
Break (15.30-15.45)							
15:45-16:30				General Assembly of the ESH Working Groups	Excellence Centre Meeting		
Break (16.30-16.45)							
16:45-17:45			Meeting of the ESH Working Group on Hypertension and Cardiovascular Risk in Low Resource Settings	Session of the Young Investigators Group SEX AND GENDER IN HYPERTENSION		GP Network Meeting	
Break (17.45-18.00)							
18:00-19:00	OPENING CEREMONY						

SATURDAY, MAY 24

	OCEAN I	OCEAN 2	SKY	AQUA 1	AQUA 2	ARIA 1	ARIA 2
7:30-8:15		Joint Session ESH-SAHA New frontiers in resistant hypertension: from mechanisms to therapeutic strategies	Joint Session SFHTA – ISH - ESH Management of common and uncommon referrals to specialist blood pressure service	Joint Session ESH-ISVH New perspectives in Cardio-kidney-metabolic prevention	Panel Discussion National initiatives and goals for better hypertension management	Morning Session Multi pill combination as a first step option	Morning Session From hypertension to coronary artery disease
Break (08.15-08.30)							
8:30-9:45		8:30-9:30 Round Table Renal denervation	8:30-9:30 Oral Session Blood pressure measurement/monitoring I	8:30-9:30 Clinical Cases Session	Oral Session Children and adolescents	8:30-9:30 Joint Session ESH-EFIM Chronic diseases as underestimated cause of HT and CV complications	Oral Session Pharmacotherapy
Break (09.45-10.00)							
10:00-11:15		10.00-11.00 Oral Session Adherence	10.00-10.45 Mini-Symposium Cracking the code of resistant hypertension: from challenges to solutions Supported by Servier	10.00-11.00 Oral Session Late-Breakers I	Oral Session Kidney	Oral Session Heart	10.00-11.00 Mini-Symposium Hypertension care, reimagined: the simplicity blood pressure procedure Supported by Medtronic
Break (11.15-11.30)							
11:30-12:30			11.30-12.45 Oral Session Clinical studies I	Mini-symposium The perfect match: beta-blockers in personalized hypertension therapy Supported by Menarini Group	Mini-Symposium Wearable wrist-cuff blood pressure monitors: a novel class of devices ready for clinical use Supported by Huawei	11.30-12.45 Oral Session Epidemiology	Topical Workshop Hypertension in women
12:45-14:15	BREAK - box lunches distribution (until 14.15)		13:00-14:00 Satellite Symposium Let's target success for every patient: achieving blood pressure control in high-risk patients Supported by Servier	BREAK - box lunches distribution (until 14.15)			
14:15-15:15			Teaching Seminar Transforming hypertension management through digital health and artificial intelligence	Mini-Symposium Hypertension in the context of the cardio-kidney-metabolic syndrome: role of nonsteroidal mineralocorticoid antagonism Supported by Bayer	Mini-Symposium Beyond hypertension: is aldosterone the hidden key to heart and kidney health? Supported by Boehringer Ingelheim Pharma	Oral Session Obesity	Mini-Symposium Advancing hypertension management: renal denervation in clinical practice Supported by ReCor Medical
Break (15.15-15.30)							
15:30-16:45	Plenary Session Obesity and hypertension						
Break (16.45-17.00)							
17:00-18:00		Joint Session ESH-ISH Time to close the gap between guidelines and implementation	Oral Session Artificial intelligence	Topical Workshop Understanding the evidence base in hypertension	Meet-the-Expert Inflammation and cardiovascular damage	Debate Target bp in chronic kidney disease	Oral Session Secondary hypertension
Break (18.00-18.15)							
18:15-19:45	MODERATED E-POSTER SESSION						

SUNDAY, MAY 25

	OCEAN I	OCEAN 2	SKY	AQUA 1	AQUA 2	ARIA 1	ARIA 2	
7:30-8:15		Czech Society of Hypertension and Slovak Society of Hypertension Symposium	Joint Session CHL-JSH-WHL-ESH Worldwide guidelines		Morning Session Hypertension in Iraq: two sides of the same coin	Morning Session Team based care in HT management, how to relieve work overload	Morning Session Coffee and BP	
Break (08.15-08.30)								
8:30-9:45	08.00-11.00 Hands-On Workshop Renal ultrasound in hypertension (basics)	8:30-09:30 Topical Workshop What is new in out-of-office BP measurement	8:30-09:30 Oral Session Diabetes	8:30-09:30 Oral Session Genomics	8:30-09:30 Oral Session Late-Breakers 2	Oral Session Brain	Oral Session Lifestyle intervention	
Break (09.45-10.00)								
10:00-11:00			10.00-10.45 Mini-Symposium Patients and doctors' partnership: should we change the paradigm to improve blood pressure control? Supported by Servier	Mini-Symposium Breaking boundaries in hypertension care: a new era with cuffless blood pressure monitoring Supported by SkyLabs	Mini-Symposium Current evidence targeting aldosterone in difficult to treat hypertension Supported by Mineralys			Topical Workshop Hypertensive urgencies and emergencies
Break (11.00-11.15)								
11:15-12:45	MODERATED E-POSTER SESSION							
12:45-14:15	BREAK - box lunches distribution (until 14.15)		13:00-14:00 Satellite Symposium Beta-blockers in hypertension through the lens of gender, age, and CV outcomes Supported by Merck	BREAK - box lunches distribution (until 14.15)				
14:15-15:15		Joint Session ESH-ESC (Council on Hypertension) From hypertension to heart failure with preserved EF: mechanisms and perspectives of management	Topical Workshop Novelties in the diagnosis and management of primary aldosteronism	Mini-Symposium Illuminating nocturnal blood pressure Supported by Omron Healthcare	Mini-Symposium The spectrum of aldosterone dysregulation and its role in hypertension and associated disorders organised by Nexus Healthcare Education and funded by an independent educational grant from AstraZeneca	Oral Session Clinical studies 2	Joint Session ESH-ERA Renovascular hypertension beyond renal artery stenosis	
Break (15.15-15.30)								
15:30-16:45	Plenary Session Presentation of ESH Awards							
Break (16.45-17.00)								
17:00-18:15		Topical Workshop Lifetime perspectives	Oral Session Hypertension phenotypes	17.00-18.00 Teaching Seminar Lifestyle management – what is new	Clinical Cases Session Clinical-pathological Conference (CPC) in Cooperation with Hypertension, an American Heart Association Journal (AHA)	17.00-18.00 Joint Session ESH-LASH The new 2024 LASH Hypertension Guidelines	Oral Session Blood pressure measurement/monitoring 2	

MONDAY, MAY 26

	OCEAN I	OCEAN 2	SKY	AQUA 1	AQUA 2	ARIA 1	ARIA 2
08:00-09:15			08:00-09:00 Round Table Assessment of HMOD in clinical practice. Which, when, how	Oral Session Pathophysiology/mechanisms	08:00-09:00 Debate The pros and cons of tools to validate new anti-hypertensive treatment options	08:00-09:00 Clinical Cases Session	Oral Session Non pharmacological treatment
Break (09.15-09.30)							
9:30-10:30		Topical Workshop Genomics for precision hypertension – promise fulfilled?	Oral Session Women	Topical Workshop New antihypertensive drugs - an update	Meet-the-Expert Electrolytes in hypertension	Oral Session Device based treatment	Oral Session Late-Breakers 3
Break (10.30-10.45)							
10:45-12:00	Plenary Session ESH guidelines: hot issues						
BREAK - box lunches distribution (until 13.00)							
13:00-14:30	MODERATED E-POSTER SESSION
